1. [redacted] ship anchored about four nautical miles 25X1  
from Yuzhnyy Rombak Island at 2200 hours and waited for the Kem pilot until  
1300 hours the next day. No vessels were seen in the vicinity. The pilot 25X1  
came out in a tugboat from Kem harbor (N 64-59, E 34-47). The tugboat re-  
turned immediately and [redacted] ship was not under observation by any 25X1  
vessels during the entry into the harbor. The light on Yuzhnyy Rombak  
Island was working in accordance with the light list. [redacted] two 25X1  
men in civilian clothing near the house on the island. The ship anchored  
off the sawmill and the inspection commission came aboard immediately.
2. [redacted] about 150 to 200 men in dark blue uniforms were seen on the 25X1  
curved pier north of the timber quay. They stood on the quay in groups  
and it was apparently either just before or just after a formation. In  
addition, about ten or twelve men came running toward the pier from the  
north.
